Doris Doelling Is Recalled To Duty At Mare Island

Feb 16-45

Doris Doelling, daughter of Mr. and Mrs. Harry Doelling of Western avenue extension, is being cordially greeted by her friends after an absence of ten months during which she was in the eastern part of the country on government assignment from Mare Island. Her first assignment, after leaving Mare Island was at Omaha, Nebraska. From there she was transferred to Little Rock, Arkansas, then to Norfolk, Virginia, and finally to Wheeling, West Virginia.

Her assignment at Wheeling had been extended for another 6 months but then she was recalled to Mare Island as the office there is so busy. Her work there is only temporary and she may be sent out again. She arrived home Tuesday morning and reported for duty at Mare Island on this morning.
